Kobe is our beloved office dog and family pet. He is also the inspiration behind our line of dog products that celebrate the relationships we have with our trusty companions.

Dogs teach us what matters most in life; to live in the moment, don't hold grudges, love unconditionally, play every day, and drink lots of water!

Kobe-Tag

Holds an airtag and easily attaches to collar.

Design: KDT

Material: TPR

Packaging: card

Sold per 12

Product: dia. 9 cm

DIG32

Welcome to Kiko, Kikkerland's first collection of cat toys. Kiko, the cat, is originally from Finland where she grew up in a home surrounded by Scandinavian design – characterized by light wood and natural materials, but most important, a clutter-free environment. Kiko takes a stand against clutter by playfully batting away unwanted items from the desk!

The Kiko collection celebrates the unique bond we share with our feline best friends and embodies the essence of cats and their delightful quirks. After all, cats remind us to embrace our little curiosities, practice self-care, remember that patience is a virtue, love unconditionally, and of course, indulge in daily play!

Yours truly,
Kiko.

Catnip Bubbles

Entertain cats for hours with catnip-infused bubbles.

Design: KDT

Material: PP, PE, bubble water, catnip oil

KIDOKI™

KIDOKI is a children's toy brand that encourages imagination, nurtures personality, and helps develop motor and coordination skills through interactive play.

Kikkerland Design developed KIDOKI along with our new friends at Goodlines, a design group based in England. This brightly colored, retro-inspired collection of games, toys, and tools includes a mix of classic twists and innovative new ideas. KIDOKI toys are targeted towards children aged 3+ and utilize fun shapes and textures that provide a tactile experience.

Sustainability was also top of mind when creating this collection. KIDOKI toys are made with only FSC certified wood. FSC certification ensures that products come from responsibly managed forests that provide environmental social and economic benefits. Additionally, the packaging used for all KIDOKI products is plastic-free, biodegradable, and attractive enough to be gift-ready just as it is!

UTILITY

Kikkerland is proud to present the Rhino® II. This reinforced step stool designed by KDT, is improved in many ways. Reinforced construction includes: a stronger hinge and more durable anti-slip rubber feet. This popular stool has been completely redesigned from the ground up to be more stable and store flatter. Certified and tested to hold up to 300 pounds / 136 kg of weight, this is a must have for any home, and portable enough to go anywhere.

Extendable Fly Swatter

Say goodbye to flies... from a distance.
